INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

This statement is filed in the application identified above pursuant to 37 C.F.R. § 1.56. No representation is intended that a complete search has been made of the prior art or that no better art references than listed below are available. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in §1.56(b).

Listed references AA to GQ were cited during prosecution of parent U.S. Application Serial No. 08/869,275, filed June 4, 1997, which is relied upon for an earlier filing date under 35 U.S.C. § 120. Therefore, copies of the references are not required
